

FRANCHISEE REFERENDUM

Skynet Solutions is committed to ensure the success of each franchised centre and the program includes constant advertisement support and assistance in key areas.

SUPPORT

OUR Support will be all the time Round the clock.

When you start a Skynet Solutions franchise, you join a team that will support you every step of the way. Your success is our goal. If our franchise business owners are the leaders in their respective markets, Skynet owns its own pride and will continue to be the up coming leaders in IT Industry.

Once approved as a franchisee,

We provide you with an intensive one-week training course, covering everything from daily operations to management to marketing strategies

We will continue to provide assistance in all the areas of the successful business.

We staffed with technology experts. Technical Head, Directors of Franchise Support, Regional Managers and other field specialists to provide operational support.
